Let's Get Going!

—Photo by Roy Howard

Truman Pfeffer (left) and Howard Miguel frantically lead their donkeys in a race to get the basketball, which someone dropped. This scene took place in the Jefferson high school gym last Monday night, when the Lions Club and the men's faculty engaged in the second annual donkey basketball game. Pfeffer is a wood shop instructor and Miguel teaches Spanish.

ROD AND GUN CLUB REPAIRING TACKLE FOR USE OF YOUNGSTERS

Hey, kids! Would you like to go fishing this summer? Sure you would, what boy doesn't enjoy a day in the open hunting or fishing.

You can't go because you have no tackle? Well, I think we can arrange that.

There are hundreds of sportsmen in Daly City and all of them can help. Everyone of these sportsmen have some kind of extra odds or ends of tackle or even broken or damaged gear that they would be glad to get rid of.

The Daly City Rod and Gun Club in support of its Junior information and education committee is collecting, repairing, and distributing fishing tackle to boys who will use and enjoy it.

Sportsmen wishing to donate tackle or funds for tackle may do so at the following places: Daly City Hardware, Ed Nenstiel, proprietor and member of Daly City Rod and Gun Club; Daly City Hancock Super Service Station, Joe Lewkowitz, proprietor and member of the Daly City Rod and Gun Club; both conveniently located at the top of hill in Daly City.

Jimmy Fox will also collect tackle evenings and Sundays at his home, 257 Woodrow street, Daly City. If you have no car, or it is inconvenient for you to get to the collecting points, just phone Jim at DElaware 3-7222 and he will come after your contributions gladly.

Remember folks, any kind of equipment at all will do. We will take anything from fish hooks to rods and reels, new or used, broken or serviceable, etc. Items most needed are rods, reels, hooks, line leaders, sinkers, rod guides and repair materials, spare rod or reel parts, etc. Just get them to us NOW so we can get them to the boys.

There will be a later announcement in this paper as to when and how the boys can receive a fishing outfit.

Barbara Jensen Wins Again

Barbara Jensen, of Colma, won the women's 100-yard free style Sunday evening at Crystal Plunge. Barbara, who is swimming unattached, did it in 1 minute 4.3 seconds. Marion Olsen, Crystal Plunge, was second; Joan Mallory, also of Crystal Plunge, was third, and Valori De Laraux was fourth.

It's Nice Work — Says "Pete" Markovich

Pedestrians along Mission street may have been a bit startled this week when they saw soft ice cream being manufactured in Peter J. Markovich's insurance office. However, Pete wasn't abandoning insurance for the ice cream business. He was only lending his office for a demonstration of the Dairy Treet ice cream freezer which is being introduced into this area.

Open House At Haas Motors For The New Dodge

Carl Haas, owner of Carl Haas Motors, has returned from San Francisco where he attended a dealer preview of the completely new-styled Dodge cars, the first models of which will be publicly displayed in his dealership on Friday, February 25. Mr. Haas was accompanied by O. C. Bartens, Louis Della Santino, and Bill Williams. Haas said that although detailed information of the appearance and many engineering and mechanical improvements introduced in the new Dodge could not be revealed prior to the public showing, there are certain general facts concerning the comfort-engineering story behind the new Dodge styling that can be disclosed at this time.

"The primary consideration that influenced the design of the new Dodge were Army statistics which showed that the G.I.'s of World War II were taller, bigger, and more active than their predecessors of World War I," Haas said. "As a result, it was apparent that more passenger room, not less, was required in the modern automobile to comfortably accommodate our physically larger generation."

Mr. Haas pointed out that the challenge to Dodge engineers was to design a car with more interior space and still reduce exterior dimensions to eliminate difficulties of handling in traffic, parking, and garaging.

To learn how Dodge succeeded in meeting this challenge and at the same time produced a car with an entirely new distinctive styling Haas cordially invites everybody to his gala open house on February 25.

District Attorney Given Names In Alleged Broadmoor Bribery

BROADMOOR CHIEF HURLS CHARGES AT "GAMBLING" INTERESTS

Names of persons who allegedly attempted to bribe James Thomas, Broadmoor police chief, this past week, were revealed to the district attorney's office this afternoon (Thursday) but were not given out to the general public.

Louis B. Dematteis, deputy district attorney, said his office will conduct an investigation here immediately.

Present at a meeting in Dematteis office, grand jury members Allan F. Hunt and Dr. S. J. Guardino, and the Broadmoor policeman discussed Thomas' allegations with the deputy district attorney.

It was at this meeting that Thomas revealed the names of those who approached him, Dematteis said.

Asked if he could give out the names, Dematteis said, "I refuse to give anything out on that at all. We can't give out information that might reveal their identity because that information, if broadcast, would hamper our investigation."

What Thomas said at the meeting corresponded to already published reports, Dematteis added.

"There's going to be a continued effort on the part of this office, the sheriff's office, and the police to suppress any gambling activities in the county," the deputy district attorney affirmed.

James Thomas, Broadmoor chief of police, charged this week that gamblers have attempted to bribe him with offers ranging from $50 a month for use of his phone to a $12,000 house if he will overlook gambling.

Thomas' allegations were scheduled to come before the San Mateo grand jury last night. Dr. S. J. Guardino said he intended to "bring it up" at last night's meeting although his law enforcement committee is not on the agenda.

Dr. Guardino asserted that his grand jury committee has investigated and found no gambling in unincorporated areas of the county.

Thomas said that several offers had been made to him. He refused yesterday to make public the names of the persons making the alleged offers. One offer he said was carried to him by a friend acting as intermediary.

Thomas comprises the entire police force in the Broadmoor police district, which was established last December. The Willow Tree, which has been closed since last year, is in this district.

Thomas said that he believes the Willow Tree operators are planning to reopen. Carpenters have been working inside there, the place now has a night watchman, and a moving van was seen pulling away from it recently, Thomas claimed.

The Broadmoor chief said he has reason to believe that two bookmakers have started in business and he is keeping track of their activities.

Thomas' dog, a German sheperd, was recently stolen from his home and returned a week later, he said. The dog had been beaten. Then only a few days ago, he said, he returned home to find the animal had again been beaten.

Athletic Club Ball This Saturday Nite At Colombo Hall

Ticket sales for the Daly City Athletic Club ball Saturday night are running smoothly, but there are still some left for those Daly City and Colma residents who want to get in on an entertaining evening at the Colombo hall. Tickets, selling for 85 cents, may be obtained either by calling Lombardi's Service Station at JU 7-7011 or at the door of the Colombo hall.

Proceeds from the affair will be used to finish paying for the football equipment bought by the club for their semi-professional football team. The club plans to make the ball an annual event.

Dancing will be held from 9 to 1 a. m. with music furnished by Roy Stephen and his orchestra. Refreshments will be served.

Boasting 29 members, the club was organized a year ago this month. Next year the club plans to be active in baseball and basketball as well as football.

Sponsors of the group include Lombardi's Auto Service, Daly City Auto Sales, Jefferson Creamery, Anderson Refrigeration, Rubber Products Co., State Sheet Metal, Hilltop Cab Co., McGraw Brothers, Thomas Tromborg and Son, Lagomarsino Real Estate.

Chairman of the dance is Harland Ferrando. Those on the committee are Walter Silvers, Allen Pettigrew, and Dick Myers.

Doctor Warns Against Use of Salt Substitute

A warning against using "Westsal" was issued this week by Dr. Wilton L. Halverson, director of the state department of public health.

The product, a salt substitute manufactured in New York, contains lithium chloride, potassium iodine, and citric acid, and has been found toxic.

Several deaths have been attributed to the sale of Westsal. The sale of the product has been ordered prohibited.

VFW Post Plans Dinner Dance For 18th Anniversary

The 18th anniversary of Old Glory Post 2044, Veterans of Foreign Wars, and their auxiliary will be celebrated March 12 with a dinner-dance at Club Casino, 6192 Mission street, according to W. J. Sweeney Jr., post commander. The affair will begin at 7:30 p.m.

A meeting to discuss plans for the dinner will be held Friday February 24. Tom Callen Jr. is chairman of the entertainment committee.

Covered Booth At Mission & San Jose For Use Of Policemen

For the benefit of the police officers stationed at the corner of San Jose avenue and Mission street a booth has been placed there as a shelter in bad weather. A phone will also be installed which will be connected with the local police department. The officers are stationed at the corner during the rush hours of the day.

Mary Van Kirk, Noted Artist, To Sing In Daly City

Members of the Daly City Community Concert Association will hear Miss Mary Van Kirk, Metropolitan contralto, at the Jefferson Union High School auditorium next Friday evening, March 4.

Members are urged to be seated before 7:45 as latecomers will be seated during intermission.

Immediately following the concert the executive committee has planned a reception for Miss Van Kirk. Anyone desiring to attend should contact Mrs. Marjorie Hanrahan, chairman-hostess, at JUniper 4-4774 or Mrs. Erda Branstetter at DElaware 3-0899 before Wednesday as there are a limited number of reservations available.

"SEE DALY CITY DEALERS FIRST FOR USED CARS"

Before you buy that used car see the automobiles offered by Daly City dealers, suggests Frank Martorana, of Martorana Bros.

"Local dealers have a stake in the community. They value their reputations because they want to stay in business here for a long time and grow with Daly City," Martorana said.

"Therefore, if you buy from a local dealer, you can be sure of getting a good car that you can depend on," he added.

"Local dealers have lower overhead and can undersell downtown dealers. And you don't pay any city sales tax in Daly City," he concluded.

Hits The Deck

—Photo by Roy Howard

Howard Miguel hits the deck. A teammate tossed him the basketball, but he missed when his mount wheeled and threw him off balance during the first half of the donkey basketball game in the Jefferson high school gym last Monday night.

"Go Ahead" Signal Given This Week For Extension Of Junipero Serra Highway

Extension of Junipero Serra highway was given a "go ahead" signal this week when the state highway commission agreed to make available $190,000 as the state's share of the cost. Bids for the construction will be called for soon, according to Thomas L. Hickey, chairman of the board of Joint Highway District 10.

The extension, which is to be the same type of construction as the present portion of the highway, will extend from the present terminus at Sneath Lane to San Bruno Crystal Springs. The new highway will have four lanes, divided by a planted center strip and planned so that it can bewidened to six lanes in the future.

Intersection with Sneath lane at the entrance to Golden Gate National cemetery will be channelized so that there will be no cross traffic, M. D. Johnson, advisory engineer of the district, said.

Bob Silvestri After Championship Golfing Honors

Bob Silvestri will carry the banner for Daly City in the San Francisco golf tourney this year. Silvestri, who has been runner up in the golf championship for the past three years, was one of six who were successful in the drawing among 18 qualifying with 75 storkes. Einar Hanson of Daly City, who also scored 75, was drawn out.

The golf tourney will start next Sunday with a feature match between Silvestri and Frank Toronto of Sacramento. Toronto is a past city champion. The contest will last five weeks.

County Planning Com. Turns Down Drive-In Theatre

A decision of the San Mateo County Planning commission this week made final that there would be no drive-in theatre in Daly City. The theatre was to be built on Crocker Estate lands just south of the city. Reasons were that a use permit could not be granted for it, and rezoning to permit the new enterprise would take at least 60 days.

Representatives of the owners, of the Starlight drive-in theatre in Belmont, told the commission that if they had to wait for 60 days before knowing the commission's attitude they would look for a new site because they wanted to have the theatre completed by July.

Local business also handled by the commission was a petition from the Garden Village Owners, Inc. asking permission to construct a locked gate at the subdivision entrance. They asserted that employees of a nearby market parked their cars all day in the subdivision, making it impossible for residents there to find parking space. The petition was turned down.

IT GETS AROUND!

Success was showing all over Grant William's map this week as Williams Candies, of which he is owner, celebrated its six month anniversary.

The map, however, is not Mr. William's own, but a map of the world which shows the destinations of boxes of Williams' fine candies. The products of the store have probably done more traveling than most U. S. Marines, having landed in such countries as Siam, Korea, Japan, Solomon Islands, Palestine, Scotland, Ireland, France, Italy and England. The candies have also been satisfying the sweet tooth of many citizens of the 48 states, Canada and Alaska.

The map, showing the location of the recipients, is hanging on the wall of the shop at 6694 Mission street.

RED CROSS DRIVE OPENED MONDAY; GOAL FOR COUNTY SET AT $110,000

Pictured above, Miss Helen Percy Chesebrough, executive vice-chairman and the "guiding light" of the San Mateo County Chapter, American Red Cross, for the past 32 years, opens the 1949 Fund Campaign. The quota set for San Mateo county this year is $110,000. Her message is "Give Where You Live," and "Support Your Local Red Cross Chapter." Funds contributed elsewhere do not return to the county for support of the many services offered by your local chapter.

The San Mateo County Chapter, American Red Cross, opened its 1949 campaign Monday, February 21. This week you are asked to help your neighbor through Red Cross.

No one can better exemplify the spirit of "helping your neighbor through Red Cross" than Miss Helen Percy Chesebrough, whose picture appears elsewhere in the paper. Miss Chesebrough, present executive vice-chairman of the local chapter, has been an abiding spirit and moving force in all Red Cross activities since April 9, 1917.

The operations of our Red Cross locally have advanced materially since Miss Chesebrough first opened the Red Cross office at the corner of Burlingame avenue and California drive.

The quota for the San Mateo County Chapter this year is $110,000. This sum must be raised so that essential services can continue.

We urge that in the 1949 Red Cross Campaign you give where you live so that the local Red Cross may keep pace with the growth of San Mateo county.

McDonald Blasts Proposed Change In Hillcrest M'gement

REDWOOD CITY — Ed R. McDonald, county supervisor, last week defended the board's action in shifting supervision of the county's juvenile home, Hillcrest, from the social service division to the probation department last year.

County Executive Peterson had recommended that the supervision be transferred back to the social welfare superintendent.

McDonald declared, "At the time it was an accepted policy throughout the state that operation of juvenile homes belonged under the juvenile department. I believe I am correct in stating the district attorney said we were within our rights in making the change."

The juvenile home has been in the headlines as a result of the escape of three girl inmates who were supplied with a key by a deputy probation officer, since suspended and now serving a county jail sentence.

State Income Tax Examiner In Daly City Next Week

A state income tax examiner will be headquartered at the Daly City city hall next week, according to Charles J. McColgan, franchise tax commissioner.

The service, which will be given Monday, Tuesday and Wednesday, February 28 and March 1 and 2, from 9 a.m. to 4:30 p.m., will be free of charge.

New residents of California particularly are advised to contact the examiner to obtain help and advice relating to their state income tax problems.

All married persons whose combined income is $4,500 or more, and all single persons and persons claiming head of family whose income is $3,000 or more, should file a state income tax return.

Sunday Topic At Ocean View Church

Reverend Joseph H. Bennett, of the Ocean View Community Congregational church, has chosen for his topic this Sunday "Choosing Our Own Company."

The Worship hour is held at 11 a.m. and Sunday school at 9:45 a.m.

San Mateo Planners Designate Six Areas For Light Industry

The San Mateo planning commission designated six areas in northern San Mateo for a C-2 zoning classification this week.

C-2, or commercial two, zoning is a classification which includes light industrial plants and differs from stores.

Final approval of the planning commission's recommendations rests with the San Mateo city council.

Robert L. Stueve On Aircraft Carrier

Robert L. Stueve, fireman apprentice in the United States Navy and formerly of 239 Crocker avenue, Daly City, is now serving aboard the aricraft carrier USS Boxer with the Pacific fleet.

The Boxer has been designated flagship of the striking and covering force for sub-Arctic war games in Alaskan waters.

Basketball Is Top Sport At The Grammar Schools

First place Crocker "A" and "B" teams will meet the Woodrow Wilson teams tomorrow night, Friday, at 7:15 p.m. in the Jeff high gym for the last games of the season. The Jefferson teams will play Our Lady of Perpetual Help.

In last week's tourney, both Crocker teams trounced Our Lady of Perpetual Help with Woodrow Wilson teams besting the Jefferson fives.

Playing in the games for Woodrow Wilson's "A" team are Gary Johnson, Ralph Castro, Jack Thur, Billy Rutler, Bill Allen, Bruce Selmi, Wayne Hyde, Richard Cryer, Gerry Eling, Ray Huntsmen, Dan Bertelli, Dollar Affoltes, Bobby Sims. "B" team players are James Galindo, Edwin Van Stevensen, Walter Huntsman, Ernest Hansen, Bobby Phillips, Marvin Abraham, Ronald Folmer, James Court, and Howard Klein. The boys are coached by Glen Smith.

William Tergis is the coach of the Crocker team. "A" team members are Jimmy Francis, Edward Christianson, Harold Diamond, Billy Valentino, Leo Winn, Jim Herman, Andy Vrancich, David Martinez, Jack Phillips, Larry Niuner, Bert McKenna, Walter Camozzi, Larry Nofziger, Tom Hasslet, Joel Cerrito, Neil Lundy, Charles Ciolino.

Those on the "B" team include John Sallos, John Pettigrew, Larry Lerma, Robert Langerveld, Richard Kalmin, Bill Stiff, Henry Ziegel, Robert Church, Harold Miller, Louis Cooper, Joey Castro, Wesley Yates, Robert Dickson, Robert Pool, Robert Bridge, Ronald Bloom, Billy Gensel, Duane Hale, Richard Watso, Sherwood Rupp, Lars Olsen, Bill Tellinda, Bobby Morris, David Druse, Brower Diamond, Bob Yonan, Bill Walker, Gary Carlson, and Frank Moore.

Perpetual Help coach is Father William Steward. "A" team is composed of Ray Rosa, Don Rode, John Rovinson, John Madden, Richard McDonough, George Urbani, Joseph Bonocorso. "B" team members are Mike Laramie, George Schreiber, Frank Donofrin, Bill Brush, Ernie Gray, Angelo Synera, Gerald Dregfus, Don Willes.

Crocker school won both the "A" and "B" championships last year with Perpetual Help taking second.

Ambrose McSweeney

Ambrose McSweeney, former county tax collector, died at his home in South San Francisco on February 19. He was 78 years old and had been tax collector of San Mateo for 38 years until his retirement in 1942.

Mr. McSweeney, who had been in ill health since he first suffered a stroke in 1938, served as justice of the peace in South San Francisco for four years shortly after he moved here in 1896.

He was a member of the San Mateo county council of the Knights of Columbus, San Mateo Lodge No. 1112, B.P.O.E., the Woodmen, and Native Sons. He was active in the Moose and All Souls Catholic church of South San Francisco.

At various times during his life he was city recorder of South San Francisco, member of the school board of trustees there, real estate broker, and director of the Bank of South San Francisco.

Two years ago he celebrated his golden wedding anniversary with his wife Mary, who survives him. He also leaves a son, Byrne, of San Jose; a grandson, John, student at San Jose State College, and a sister, Sister Aloysia of the Sacred Heart convent, Flinteridge, Pasadena.

His brother, the late Dan McSweeney, was a member of the Democratic county committee and city clerk of South San Francisco.

NEWS FROM COLMA P.T.A.

The Colma P.T.A. will hold its yearly election of officers at the regular meeting, Tuesday night, March 1, at 8 o'clock. The meeting will be held in Room 2 of the Jefferson Elementary School, 14 Alemany street, Daly City.

All officers are asked to come to an executive board meeting at 7 p.m. March 1 in Room 2 of the Jefferson Elementary School.

Mrs. Hilda Dennis, president; Mrs. Winifred Burgard, past president; Mrs. Lillian Bertucci, life membership award holder and past president; Mrs. Irene Chessman, secretary; Mrs. Julie Bertetta and Mrs. Leta Dennis represented the Colma P.T.A. unit at the Jefferson District Founders Day meeting, the night of February 15.

Women Of The Moose To See Apron Parade

An apron parade has been planned by sewing unit leader Clotilda Gurrazza for the regular sewing meeting of San Francisco Chapter No. 739, Women of the Moose. The meeting will be held at noon March 2 at the Moose Hall, 3053 16th street.

A large class will be initiated in honor of Mrs. Agnes O'Hara, grand regent of the Women of the Moose. Mrs. O'Hara will be the guest speaker at the meeting to be held at 8:15 p.m. March 2. Social Service Committee Chairman Irma Linda Foss will be hostess for the evening.

The meeting of the officers has been changed to March 10 and will be held at the home of Mrs. Foss, 1036 Connecticut street.

O.L.P.H. Mothers Complete Plans For Fashion Show

At the last regular meeting of the Mothers' Club of Our Lady of Perpetual Help school, plans were completed for the spring fashion show and luncheon which the club is presenting on March 26 at 1 o'clock in the afternoon. The affair will take place in the school auditorium at 80 Wellington avenue.

United Air Lines and Hale Brothers will arrange the show which is expected to be well attended as indicated by the heavy demand for reservations even at this early date.

A ticket to the luncheon will entitle the holder to a view of the new spring styles.

Mrs. Valetta Ennis, president and general chairman has named the following committee: Mesdames Jean Denning and Mary Calegari, decorations; Theresa Sullivan and Elsie Thomson, serving; Susan Schroeder and Lee Miller, investment; Ann Drury and Camille Clark, refreshments; Isabelle Liberti, tickets and reservations.

On Tuesday afternoon, March 1, at 1 o'clock the regular Mothers' club dessert-whist will be held. Home made cake and coffee will be served, followed by an afternoon of whist. Mrs. Ita Kordoulas will be in charge of the whist, with Mrs. Jeanette Steele in charge of the refreshments. These ladies will be assisted by the mothers of the second grade pupils. The public is invited.

New Arrivals

To the wife of Bernardo Tabora Rivera, 157 Bellevue avenue, Daly City, February 11, a son.

To the wife of Ralph Norman Van Natta, Brisbane, February 10, a son.

To the wife of Thomas Braxton Jones, 49 Moltke street, Daly City, February 11, a son.

To the wife of Daniel B. Comroe, 819 Maddux drive, Colma, February 12, a son.

To the wife of James Alto Stanford, 44 Liebig street, February 13, a son.

SENIOR CLASS PRESENTS PLAY AT JEFF HIGH

"Big Hearted Herbert," a three-act comedy directed by Miss Eunice Seaton, will be presented by the Senior Class of Jefferson high school tonight, February 25, at 8:15 o'clock in the high school auditorium.

Many nights of rehearsal and many hours of planning and work will end in what promises to be an outstanding preformance of one of the classic comedies of the dramatic world.

Miss Seaton has put in long and strenuous hours to make this a successful performance and she has had very loyal help from Bunny Pilloud as student director, the most difficult role of any production.

Louis Merlo has handled tickets and advertising with the help of Barbara Martin, Roberta Kern, and Laura Ross.

Mildred Jenkins has gathered and taken charge of all stage properties. Helping her are Gwen Harris, Barbara Patchen, Jean Puchi.

Ushers for the evening will be Diane Nathan, Gloria Bernardi, and Barbara Patchen.

CASA GRANDE RUINS NATIONAL PARK

Casa Grande Ruins National Monument, located nine miles west of Florence in Arizona, is reported to be the ruins of a four-storied prehistoric community dwelling, with remains of an extensive canal system. The "calendar" and maze found in the walls have excited the scholarly interest and speculation of archaeologists from all parts of the world.

Unusually long stitches in sewing are called homeward bound stitches, for the man is hurrying to complete the job.

Dedicate New Community Church In Broadmoor

Church history was made in Broadmoor Village last Sunday afternoon when the newly erected chapel of the Community Presbyterian Church was dedicated.

Presiding over the ceremony was the Rev. John A. Glasse, the resident minister who recently established his home at 820 Larchmont drive. Other speakers at the event were Mrs. M. Pauline Brown of Colma, George W. Irvine of Garden Village, and V. J. Murphy Jr. of Broadmoor Village.

Visiting churchmen included Dr. William Harberts of Daly City, Dr. Harry Clayton Rogers of Lakeside Presbyterian Church, Reverend Lester F. Eisel from the Presbyterian Headquarters in San Francisco, and Raymond L. Hanson of the Board of Church Extension.

Special music was provided by Memory Gomez, Esle Faust, Fern Brannan and Carol Freeland.

The first regular morning worship will be held at 11 a.m. this Sunday, with Rev. Glasse speaking on "Who We Are." Memory Gomez and Carol Freeland will sing "O Come to My Heart, Lord Jesus" by Ambrose and Jordan's "The Master of the Garden." Esle Faust will play the organ accompaniment.

Sunday school will be held each Sunday at 9:45. Choir practice will be every Thursday evening at 8 o'clock. Plans are also being made for a children's choir.

The new church is located at 87th just west of Junipero Serra.

Volunteer workers of the Home Service department of the San Mateo County Chapter, American Red Cross, made 61 layettes for wives of servicemen and veterans during 1948. GIVE TO THE RED CROSS.

OFF THE BLOTTER . . .

Bernard Garcia, 77 Peoria street, and Edward Kelly, 166 Judson avenue, San Francisco, were involved in an auto accident last Thursday at 7:55 p.m. at the intersection of Mission street and Wellington avenue. Results were property damage only.

While on routine patrol in Colma last Friday at 2:40 a.m. officers noticed the northeast door of Ric's dining room ajar. On entering and checking further they discovered that two drawers behind the bar had been ransacked and a small amount of money was lying on the floor.

The rear door from which entrance was gained had not been damaged any way. The culprit or culprits had evidently been in the place earlier in the night and pushed back the sliding bolt, police said. The next day Ric Bollentini, one of the proprietors, notified police that approximately $250 had been taken.

Mildred Johnson, 360 Miriam street, Mrs. Alfred Averill, 1715 Louvaine drive, Colma, and Joseph Dykhuizen, 243 Granada avenue, San Francisco were involved in an auto accident on Junipero Serra boulevard 500 feet south of Westlake avenue. The accident resulted in minor injuries and property damage.

Dean Wood and Mr. Stork had a race last Sunday afternoon when a call was received from Dr. Herman of Central Emergency hospital to send an ambulance to 574 Crocker avenue. Arrangements had been made at the Community hospital for the admittance of Mrs. Sallas. So in ambulance No. 3 Wood, accompanied by Mr. Sallas, made a safe landing just ahead of Mr. Stork. All Wood had to say was, "Whew!"

Property damage resulted in an auto accident involving Francis A. Smollen, 334 Hillside boulevard, and William Henry Kahle, Rt. 1, Box 10, Colma. The accident occurred Monday, February 21, at the intersection of Westlake and Mission.

Grant Tombow, of the Big Bear Lumber company, 1625 Junipero Serra boulevard, notified police Wednesday that the previous day some unknown party had stolen a radio from an International truck that had been parked in the yard. Some 2x4, 10 foot lumber had also been taken. He said he left the yard at 4 p.m. that afternoon and missed the radio at 8 a.m. that morning.

Dr. Dickson Opens New Offices On Mission Street

Donald D. Dickson, doctor of chiropractic, opened his office at 6137 Mission street this week and will now receive patients.

Dr. Dickson has lived in Daly City since January, 1942. He came here from Raymond, Washington.

The doctor was graduated from the San Francisco College of Chiropractic in December, 1947. He has worked in the clinic of the college and later with another chiropractor, Clarence Armstrong, of Oakland.

Dr. Dickson has installed short wave, galvanic, and sine wave diathermy equipment in his new office. The office, which is modern throughout, also contains a new adjusting table, an infra-red lamp, and a small laboratory for the doctor's own use.

The doctor is married and has three children.

SAFE PASSING

Wise motorists pass that car ahead only on a straight and open section of the road, declares the National Automobile Club. They know that to pass on a curve, when approaching the crest of a hill, or at any other place where they can't see ahead for a safe distance, is to take a chance — and possibly a life.

CHIRICAHUA NATIONAL MONUMENT

Sometimes called Rhyolite Park or Wonderland of Rocks, Chiricahua National Monument is reported by the National Automobile Club to be located in southeastern Arizona and to be reached from Douglas, Bisbee, or Tombstone. In it nature has fashioned a weird and silent community through the erosive agency of wind and water.

Mary Kavanaugh, Charles Spencer Unite In Marriage

Mr. M. Norton, 108 Irvington street, gave in marriage Miss Mary Kavanaugh, 20 Wright street, San Francisco, on Saturday, February 5, to Bernard Spencer, son of Mr. and Mrs. Charles Spencer, Duke Center, Pennsylvania. The double ring ceremony was held at 8 o'clock in the evening at the home of Mr. and Mrs. Robert James Mort, Country Club Park, with Reverend James C. Baldwin of San Bruno officiating.

For her wedding Mary wore a gown of full length skirt trimmed with sequins and a blue off-the-shoulder blouse and gold accessories. Mrs. Mort, who was matron of honor, was gowned in pink blouse and black skirt. Both wore orchid corsages. Best man duties were performed by Mr. Robert Mort.

The reception was held immediately following the ceremony. The guests, many from Daly City, watched the couple cut their three-tiered wedding cake.

Used Car Prices Hit New Low

Now is the best time to buy that used car, according to Daly City's leading used car dealers, who were interviewed this week.

Used car prices have hit rock bottom. You can get a good used car now at a price far below that charged since before the war, but prices will probably go up slightly in a few months, the dealers agreed.

"At least, we hope prices will go up. We're not making enough now to stay in business on a year-round basis," one dealer said.

The dealers' belief that prices will go up is backed up by past experience. For years past there has been a general increase in the price of used cars offered for sale in the spring and summer, because of a greater demand for cars in those months.

The dealers claim that they have to make a higher profit in the spring and summer to help pay for their operation in the lean winter months.

The dealers reported also that a surprising number of cars in excellent condition are on the market at below list price. Explanation for this was that people haven't driven their cars as much due to the high cost of living and that many people who have bought a new car in the past few years have found they couldn't afford it.

NEWS FROM THE SCHOOLS

JEFFERSON

Washington, Lincoln and St. Valentine received fitting tributes at Jefferson School during the past week. Each class had beautifully decorated boxes to receive the many valentines distributed throughout the school. The boxes were put in the hall outside the rooms and "postmen" from each room filled them with the sentimental greetings.

The fifth grade enlivened their social studies program by presenting a "Let's Pretend" program. The program involved George Washington's accomplishments as they would have been broadcast over the radio.

Participating in the broadcast over the make-believe radio were Lowell Klaisner, Richard Stookey, Louis Firpo and Bernard Lemp. Loretta Lagomarsino had a double role as commentator and actress.

"The Perfect Tribute," a motion picture commemorating Abraham Lincoln, was enjoyed by the seventh and eighth grades.

The film is based on the story of Lincoln's famous Gettysburg Address. Because his speech was received with silence Lincoln considered the Gettysburg appearance a complete failure. Later, having been called to the bedside of a Confederate soldier who could not recognize him because of bandage, Lincoln is asked to read the speech from the newspaper. The soldier praises the author in glowing terms. Lincoln, deeply moved, calls the Southern soldier's eulogy "The Perfect Tribute."

The sixth grade is busy developing a list of safety rules to be observed in their homes. Their Hobby Shelf is holding a collection of rocks from many parts of this country and Europe, to which the students are adding.

Lawrence Wieland, John Dennis, Leslie Bolestra and Jim Hutchinson are rapidly becoming acquainted with the visual equipment used in showing films. They used their skill to advantage when operating the equipment for the showing of a film on California to their classmates in the seventh grade. The film was supplemental material used to broaden the concepts of the students regarding their "Golden State."

CROCKER

With the change of the season students of Crocker School have been reviewing fundamentals of their three R's and social studies. Now they are ready to begin new units of study.

The LS of Room 6 has been studying about the "Order of Business' so that class officers can be elected and meetings conducted correctly.

An interesting science period was held in the L7 and H7 Room 5 when the children studied about pearls. They found how pearls were formed and how they were found by men. They saw pictures illustrating the methods used and also read an article in the Reader's Digest about the Pearl King. The next day one of the girls brought a pearl found by her uncle to school.

Elaine Martinez and Tom Haslett were chosen class representatives of Room 6 while Lois Pera and George Spoulas were elected representatives of Room 5.

Valentine's Day was a happy occasion and the last half hour was pleasantly spent in distributing valentines.

The H8 grade invited the L8-H7 to enjoy a noteworthy historical film, "A Perfect Tribute," the story of Lincoln's Gettysburg address. Important factors in character education were discussed after the showing of the film, factors which were evidenced by Lincoln's reactions to specific situations — his humility, his tolerance, his insight and understanding — all chacacter traits which are being instilled in the students' curriculum today, together with the fundamental 3 R's.

Youthful Be Kind To Animals Club Operates On Behalf Of Stray Pets

Daly City can now claim one of the youngest humane organizations in the country, the Be Kind to Animals Club, which was started by a group of boys and girls here recently.

Ages of the 19 charter members range from 12 to 14 years.

Initiation fee is 15 cents and dues are two cents a week. In the first five weeks of its existence the club has found homes for three dogs, which might otherwise have been impounded.

The members have also brought several injured dogs to veterinary hospitals for treatment and have returned several dogs, that were lost, to their owners.

Now the club is looking for a clubhouse in which to hold their regular Wednesday morning meetings. All the charter members attend the Woodrow Wilson school, where, because of crowded conditions, they don't go to school on Wednesday mornings.

Members of Daly City's youngest public service club have been meeting at the home of Alice Van Over, their sponsor, at 205 Woodrow street. Mrs. Van Over advises the group and trys to help out when they come across a real tough problem.

Beverly Hamilton, 12 years old, is club president. Other officers are Roberta Baldetti, vice-president; Jane Kennedy, secretary, and Norma Davis, treasurer.

Mrs. Van Over said the club may give a play, Romeo and Juliet, to raise funds for buying pet foods and other activities. The play is tentatively scheduled to be presented in Mrs. Van Over's basement, but the basement is inadequate and the club would like to get a small auditorium or hall.

The club is open to any boys and girls who want to join. Those interested should call Miss Hamilton at JU 5-8464 or Miss Baldetti at JU 7-7519.

If anyone can offer the kids a place to hold their meetings, he is requested to get in touch with one of the above-named girls or Mrs. Van Over. Adults who wish to help sponsor the club are also invited to get in touch with Mrs. Van Over.

Members of the club include Dolores Berando, Carol Bertelli, Mary Jane Shuler, Bobby Armstrong, James Crudo, Roberta Taylor, Marvin Abraham, Gilbert De Courcey, and Joyce Folmer.

LOCAL VFW MEMBERS ATTEND DISTRICT MEETING IN SAN JOSE

Twelve members of Old Glory Post of the Veterans of Foreign Wars and its auxiliary attended a meeting of the VFW Twelfth District department commander and president inspection recently in San Jose.

Members of the post who attended were Roy Burley, Walter Dorn, and Alex Albertus.

The following members of the auxiliary attended: Eleanor Hatt, Ethel Dorn, Ruth Burley, Josephine McHugh, May Fitch, Irene Leggett, Florence Costello, Bonnie Ellenwood, and Margaret Johnson.

New VFW Women's Group Planned

Eleanor Hatt, senior vice-president of Old Glory Auxiliary, Veterans of Foreign Wars, will drive the department president to Livermore to institute a new auxiliary there, it was announced this week.

Attend CCPT Meet In Burlingame

President Dolly Gensel and Corresponding Secretary Thelma Holcomb, representing General Pershing PTA were in attendance at the recently held Seventeenth District CCPT Founders' Day in Burlingame.

Mrs. Louise Eliasen, of the unit, contributed her talent in the Founders' Day program held at the high school last week. She portrayed Mrs. Alice McLellan Birney in "In Retrospect."

Wilbur Fellows Joins French Honor Society

Wilbur Fellows, son of Mr. and Mrs. Horace Fellows of 175 Los Banos avenue, has been initiated into Iota Delta Phi, French honor society at San Jose State College. He is a junior French major.

CLIFFORD B. SMITH NOW IN FRANKFORT

Clifford B. Smith, son of Mrs. Zelma Meehan of 61 Los Banos avenue, is now helping "Vittles" beat the ground blockade of Berlin.

S/Sgt. Smith is a radio operator in Frankfort for Airways and Air Communications Service.

Paul R. Lasker

Last rites were held Monday, February 21, for Paul R. Lasker, retired baker, who passed away at San Francisco hospital Friday, February 18. He had been ill three weeks.

He was the husband of Margareta Lasker, father of Richard, Fred, Albert and the late Margaret Lasker. His son, Fred Lasker, resides at 2815 San Jose avenue.

Services were conducted from the mortuary of W. C. Lasswell & Company at 11 a.m. Inurnment was at Oljvet Memorial Park.

TRAFFIC COURT

Twenty - five speeders were among the 35 motorists fined in the Daly City municipal court last Friday.

They were Frank Anisky, $2.50; Arthur Armstrong, $5; Clemmie T. Baker, $5; William Beattie, $2.50; Robert Davis, $5; Jack Fisher, $10; Alfred Frechette, $7.50; Raena Hart, $7.50; William Hoops Jr., $7.50; Charles Jordan, $7.50; Stanford Jurvig, $5; Marguerite Keith, $7.50; Harold Kling, $5; Walter Kohler, $7.50; Karl Dreis, $5; John Leasure Jr., $5; Leon Lichtstein, $2.50; Guy Oliver, $5; Robert Peebles, $5; Arthur Seney, $7.50; Franklin Sheehan, $5; Lois Smith, $7.50; Arthur Donnenberg, $7.50; Norman Santag, $10.

Fined for improper parking were Don Dwyer, $2.50; Murl Greenfield, $2.50; Earl Rice, $2.50; Leonard Scott, $2.50; Richard Tibbitts, $1.50, and Ernest Peterson, $2.50.

Clara Broughton, Bernard Feyling, and Anthony Fustado were each fined $5 for failing to yield the right of way to pedestrians.

Eugene Lewis was fined $5 for having a noisy muffler.

Girl Scouts Planning Tea

A tea for mothers and relatives of members of Senior Scout Troop No. 4 will be held Saturday afternoon, March 12, at 2 o'clock in their scout house, 101 Parkview avenue, in celebration of the birthday of the Girl Souts of America. Plans fo rthe tea were discussed at their weekly meeting held Tuesday evening.

Following the meeting ice cream and cake were enjoyed by those present. The cake was brought by Mrs. Hamilton and Mrs. Cady, scout leaders.

News From 26th District American Legion Auxiliary

At the recent meeting of the Twenty-sixth district of American Legion Auxiliaries held at the Menlo Park Grammar school Mrs. Roy Henderson, district membership chairman reported that the twenty-sixth district is the highest district in the Department of California American Legion Auxiliary in membership with 101 per cent paid up members. Eight units in the district will receive national citations for membership.

The month of February is devoted to Americanism by the American Legion Auxiliary units throughout the nation. The American Legion Auxiliary Americanism essay scholarship fund of California will be $1,000.

Units from the district are asked to make donations of clothes and shoes that are needed for the Easter Fashion show to be held at the Palo Alto Veterans hospital for the women patients.

The next district meeting will be held on March 11 at the New American Legion hall in Brisbane.

Private holdings of gold throughout the world, including ornaments and industry, is estimated to be 14 billion dollars, valued at $35 an ounce.

Fun For Children At Baptist Church

Beginning this Saturday afternoon at the Calvary Baptist church, Mission and Morse streets, will be an afternoon of games, songs, stories, movies and surprises for youngsters of all ages invited to attend. The afternoon's fun will begin at 2 and end at 4:30.

This Calvary Saturday club is being held in cooperation with the Child Evangelism Fellowship of San Francisco. Mr. Edwin Case will be present Saturday to assist Miss Claire Nace, who will supervise. These Saturday afternoon parties will be held once a month.

Jesse R. Henriques

A two weeks' illness resulted in death for Jesse R. Henriques, owner of Jesse's Tonsorial parlor, Daly City. He passed away Saturday, February 19, at St. Joseph's hospital.

A native of California and residing at 617 Bernal avenue, Henriques was in business in Daly City for the past 20 years. He was a member of Old Glory Post No. 2044, VFW.

Survivors are his wife Catherine, sons Jesse A. and Raphael Henriques, brothers William and Andrew Henriques, sisters Marie Henriques and Mrs. Louise Silva.

Funeral services were conducted from the mortuary of W. C. Lasswell & Company Monday, February 21, at 8:30 a.m. to St. Michael's church, where a requiem mass was celebrated for the repose of his soul. Interment was at Holy Cross cemetery.

Hold Services For Mrs. Laura Pescaro

Funeral services were held recently for Mrs. Laura Pescaro, pioneer resident of Daly City, who lived at 6396 Mission street, since 1912. She was the daughter of the late Mr. and Mrs. Antone Genochio, who were early pioneers in San Mateo county, and granddaughter of one of the 49'ers.

Survivors are sons Richard Pescaro, Phil and Edward Genochio, and daughter Mrs. C. Dixon.

Mrs. Pescaro passed away at Notre Dame hospital February 9, following a lengthy illness. She was a member of El Carmelo Parlor No. 181, NDGW, and Hillcrest Circle No. 143, UAOD.

Services were conducted from Gray's Funeral Parlor on Friday, February 11, at 10 a.m., thence to Our Lady of Perpetual Help church where a high mass was said for the repose of her soul. Interment followed at Holy Cross cemetery.

High-voltage trouble shooters

When winter storms hurl broken trees across power lines, trained P. G. and E. "trouble shooters" speed into action to restore your electricity. First step is to set up road blocks around the danger zone. Then, armed with "hot line" tools, the crewmen unscramble the high-voltage wires which may still be charged with electricity.

Next they cut out any sections that must be replaced, repair them fast and flash the word to the Dispatcher to begin pouring power back into the lines.

"SOS" is radioed or otherwise rushed to every "trouble man" in the area ;..and the closest are assigned to the mission. If they need extra help, they call for reinforcements.

Lights go on again fast because P. G. and E. trouble shooters stand a 24-hour vigil. Their job is to keep power flowing to homes, farms and factories.

for the record

12,000 miles of new power lines have been strung since V-J Day.
This is just part of P. G. and E.'s postwar power-building program...
...that already has added half a million new horsepower of generating capacity.

Work never stops on our power-building program

Notice of Trustee's Sale

ON WEDNESDAY, THE 16th day of MARCH, 1949, at the hour of 9:30 o'clock A.M. of said day, at the office of the SAN MATEO COUNTY TITLE COMPANY, a corporation, 733 Middlefield Road, Redwood City, San Mateo County, State of California, PHILIP C. FLATLEY, as present Trustee, will sell at public auction to the highest bidder, for CASH, in lawful money of the United States of America, the following described real property situated in the County of San Mateo, State of California, and more particularly described as follows, to-wit:—

Lots numbered 18, 19, 20, 23 and 24 in Block numbered 15 as shown on that certain map entitled "Map of San Pedro Terrace By-The-Sea. Being Part of the San Pedro Rancho, San Mateo County, California, which map was filed in the office of the County Recorder of San Mateo County on February 3, 1908, in Book 5 of Maps at page 60.

EXCEPTING from said Lots 18, 19 and 20, the northwesterly 60 feet thereof, as conveyed to Mrs. Daisy Edith Waldorf and Mrs. Dolores Bryant by deed dated September 15, 1936 and recorded July 2, 1937 in Book 750 of Official Records of San Mateo County at page 299.

Said sale will be made to satisfy the obligation secured by and pursuant to the power of sale conferred in a certain Deed of Trust executed by Laurence Leonard and Rachel Leonard, his wife, as Trustors, to California Pacific Title & Trust Company, a corporation, as Trustee, in favor of Karl H. Strutz, as Beneficiary, and recorded on the 1st day of July, 1940, in Book 906 of Official Records at page 52, County of San Mateo, State of California.

Notice of breach of said obligation and election to sell said real property was recorded on the 19th day of August, 1948, in Book 1559 of Official Records at page 709, County of San Mateo, State of California.

The undersigned, PHILIP C. FLATLEY, succeeded the said California Pacific Title & Trust Company, a corporation, as Trustee under said Deed of Trust by virtue of that certain SUBSTITUTION OF TRUSTEE recorded on the 17th day of August, 1948, in Book 1559 of Official Records at page 583, County of San Mateo, State of California.

This notice is given in compliance with the demand heretofore made on said PHILIP C. FLATLEY, as Trustee, by GEORGE CUNNINGS, the present beneficiary, and the present owner and holder of the promissory note and the said Deed of Trust securing the payment of said note.

Dated: January 14, 1949.

COUNTY HEALTH DEPT. OUTLINES SERVICES GIVEN TO DALY CITY

The following letter was sent recently to the city council of Daly City, outlining the services rendered by the county health department to the people of Daly City:

February 18, 1949

City Council
Daly City, California

Dear Sirs:

We have recently noticed some newspaper comments on the Health Department services in the Daly City area and feel that a short review of these services would, perhaps, avoid misunderstanding.

The department maintains a branch office at 7375 Mission Street, Daly City, and a clerk, sanitarian, and public health nurse are regularly stationed there. Besides these, the entire facilities of the department are utilized as needed in the area.

Briefly, a few of these services are:

1. Communicable Disease Control. Physicians are available who are well-trained in the recognition of communicable disease and who conduct investigations whenever necessary in the control of unusual out-breaks in disease. Public health nurses also assist in finding unrecognized cases of communicable disease and advising the mother relative to isolation technique to be used in the home.

2. Well Baby Conferences. These are held in Daly City on Thursday morning. Public health nurses and a physician specializing in infants and children are in attendance. From 25 to 30 infants are seen at these morning sessions. The mother is given advice by the physician; immunizations are done, and, when necessary, the nurses visit the mother in her home to further assist her in carrying out the physician's suggestions.

3. Sanitation Division. The sanitarian stationed in Daly City is duly registered as required by law and conducts routine inspections in food sanitation, water supplies, and sewage disposal, as required by the Health and Safety Code of the State and by local ordinances. Besides these services, the sanitation division conducts routine investigations as follows:

(a) The housing sanitarian regularly inspects trailer camps, auto courts, hotels, apartments, and substandard housing.

(b) The industrial sanitarian checks industrial establishments for possible health hazards that might exist.

(c) The dairy inspector inspects producing plants distributing milk to determine if the state agricultural code is properly enforced.

The sanitation division is readed by a well-trained Public Health Engineer who gives technical advice on water supplies, sewage disposal, and other problems of environmental sanitation.

4. Public Health Laboratory. This laboratory conducts examinations routinely on water supplies and milk samples and various other tests needed in the control of communicable disease.

5. Public Health Nursing Section. Besides the work previously mentioned, gives service in tuberculosis and venereal disease control, education, pre-natal advice to expectant mothers, and many other duties in maintaining and improving the public health.

Lastly, we should like to point out that the County Health Department receives some outside financial aid from the state and federal government. These funds are available only to health departments which have been surveyed by the State Department of Public Health and by the United States Public Health Service and found to have met their requirements both as to facilities offered and the qualifications of the personnel.

Very truly yours,
HARLIN L. WYNNS, M.D.
Superintendent Health Division

Albert - Olivieri Nuptials Saturday At Holy Angels Church

The Holy Angels church, Colma, will be the scene of the marriage of Dorothy Albert, daughter of Mrs. Ellis Albert, 61 Valley street, and Albert Olivieri, son of Mrs. Rose Olivieri, Colma.

The wedding will take place Saturday afternoon at 4:30. Standing with the couple as matron of honor and best man will be Mr. and Mrs. Desmond Epedendio of Daly City.

Wilson P.T.A. Unit Forms Study Group

A correspondence course in history, organization and leadership offered by the California Congress of Parents and Teachers, has been accepted by a study group of the Woodrow Wilson P.T.A.

The course is designed to be of assistance to officers and members alike by increasing knowledge and understanding of the work of the Parent-Teacher organization.

The work may be done individually or in groups. Anyone interested in the correspondence courses may contact Mrs. John Sorenson, president of the Woodrow Wilson unit.

MRS. EDNA KOLLS GOLDEN WEST GIRL

Mrs. Edna Kolls of 973 Huntington drive, San Bruno, was chosen as "The Girl of the Golden West" at the mid-winter conference of the Women of the Moose in Salinas last week.

Mrs. Kolls, representing Chapter 739 of San Francisco, will be dressed in a costume dating back to 1860 at the National Moose conference in August. The convention will be held in San Francisco.

Mr. & Mrs. F. Bricker Celebrate 25th Wedding Anniv.

Ho! Hum! Yep! Life can be beautiful after 25 years on the Rocky Sea of Matrimony, at least so say Mr. and Mrs. F. J. Bricker sr., of 313 Peoria street.

They were presented with beautiful gifts of silver from their children, and from their numerous friends came gifts and cards.

Present at the Bricker home last Thursday, February 17, were Mr. and Mrs. J. C. Munoz, Mrs. Florence Kerger, Miss Louise Bricker, Mr. and Mrs. P. E. Dwyer, Paul Doyle, Bill Reardon, and their children, Fred jr., Leo, James, Francis, Billie, Charles, Eugene, and Claudia Bricker, and Louise M. Munoz and Matthew Kerger, grandchildren. Refresments were served by Mrs. "Bebe" Munoz and Mrs. Florence Kerger.

Later in the evening Mr. and Mrs. Bricker and daughter Louise celebrated at the home of Mr. and Mrs. M. D. Murray, 88 Virgil street, San Francisco. (Mrs. Murray formerly was "Jo" Bricker.) Mrs. Murray served a delicious dinner. The balance of the evening was spent enjoying the company of their grandchildren, Linda Marie and Michael. Unable to attend was Claire Bricker.

Newlyweds Return From Honeymoon Spent In Carmel

Myra Blackledge, of Myra's Photo Studio, 6275 Mission street, changed her name over the week end. At a 2 o'clock ceremony held Sunday, at the Methodist Church in Salinas, Myra repeated vows that made her Mrs. Norman A. Laws. In attendance with the bride and groom were Mrs. June Leone, matron of honor, Daly City, and Robert Laws, the groom's brother, who acted as best man.

For the wedding Myra donned a becoming light blue suit with coffee colored accessories. She wore a pink rose corsage.

Mrs. Leone wore a beige suit with brown accessories and a red rose corsage.

Following the ceremony performed by Reverend James Douglas Ewan a reception was held at the home of Mrs. Robert Sanders, 137 Linden street, Salinas. Fifteen guests were present to watch the couple cut their three-tiered wedding cake.

The couple honeymooned at Carmel and are now making their home at 6275 Mission street.

St. Michaels Plans St. Patrick's Dinner

A St. Patrick's dinner is being planned for St. Michael's parish by the Immaculate Conception Sodality and Holy Names Society.

The dinner will be held from 4 to 7 p.m. March 13 at the parish hall, 32 Broad street.

Yolanda Bernardi and Clem Zarcone are co-chairmen of the dinner.

Ticklers By George

"He's trying it out on a bull snake!"

Gerald J. Doran And Elizabeth O'Leary To Wed On Saturday

Gerald J. Doran, son of Mr. and Mrs. Gerald Doran, 331 Irvington street, Daly City, will marry Miss Elizabeth O'Leary, daughter of Mr. and Mrs. Gerald J. O'Leary, 346 Hermann street, San Francisco, this coming Saturday at 10 o'clock. The ceremony will be performed at the Sacred Heart church, Fillmore and Fell streets.

ELEANOR SALIOU, AUSTIN SPENCER NUPTIALS SUNDAY

A 9 o'clock nuptial mass at the Carmel Mission will unite in marriage Miss Eleanor Saliou, daughter of Mr. and Mrs. Ed Saliou, 199 School street, and Austin Spencer, son of Mr. H. J. Spencer, of Mountain View. The ceremony will take place Saturday, February 26. Only the intermediate family will be in attendance.

Maid of honor will be Genevieve Whearty. Best man duties will be performed by George McDonald.

Woodrow Wilson P.T.A. Mardi Gras This Saturday

The first Mardi Gras of the Woodrow Wilson P.T.A. will be presented to the public beginning at 10 a.m. Saturday, February 26.

Various booths will be set up including entertainment, general bazaar, apron, necktie, baked goods, and candy booths. Hot dogs will be sold all day and evening.

The Amateur Contest, the special event of the day, will feature Woodrow Wilson children attending Crocker school at the 11 a.m. performance, and Woodrow Wilson primary children in the 2 p.m. performance. Winners will perform for the public again during the evening at 8 o'clock. The winner of the finals will make a personal appearance on the Buda Marin-Dell Amateur Hour.

The Mardi Jacks will furniish the music for the gala dance commencing at 8:30 p.m.

Fathers wishing to volunteer aid for the day or evening can contact Mrs. Emil Bertelli, 34 Bepler street, chairman of the Mardi Gras.

A final meeting of all the chairmen of the various activities and booths at the Mardi Gras was held Wednesday by Mrs. Emil Bertelli at her home.

Visiting Bethel's Night Slated For Friday, February 25

Visiting Bethel's night will be held by Bethel No. 26, International Order of Job's Daughters, at 7:30 p.m. Friday, February 25, at the Mission Masonic Temple. All members of Bethel 26 are urged to attend and welcome visitors from the other bethels.

Wednesday, March 2, will be Bethel 26's night at the Y.W.C.A. swimming pool. The aquatic sport will begin at 7:15 p.m.

The semi-annual silver tea will be held from 2 to 5 p.m. Saturday, March 5, at the home of the guardian, Mrs. Alice Swensen, 12 Inverness drive.

Celebrate Anniversary

Police Officer and Mrs. Ed Heim, 478 Irvington street, celebrated their 28th anniversary Sunday with a group of friends at Club Casino. Among their guests were Judge and Mrs. William Sweeney.

Small Boys Still Make Pets of Toads

BY ROY L. WARREN

IN one way, small boys haven't changed since the days of Tom Sawyer and Huckleberry Finn. Maybe today's boys read comic books and listen to soap operas but underneath they're the same fellows. Maybe they don't have some of the bad habits of their grandparents, but they still like to make pets of snakes, toads and turtles.

But a boy ought to use caution about snakes. Some of them are bad medicine. Turtles have a way of nipping fingers. But a toad—now there is an admirable creature!

If you don't think so, take the word of Paul Kirsten, who lives in the state of Washington. Paul isn't a boy, he's a man, but he raises toads and tree frogs as a hobby and he thinks they're about as sensible a pet as any you can think of.

• • •

BACK in 1929 Mr. Kirsten decided to raise toads. The earwig, an insect pest, was swarming over everything and Mr. Kirsten decided that the toad would be an ideal creature to gobble up these bugs. The toad likes earwigs as well as a boy likes candy and bubble gum, and the toad eats his meals at night when the earwig flies around.

Toads are easy to raise. A single mother will lay as many as 60,000 eggs. They hatch as tadpoles who live like fish in the water, shedding their tails as they grow older and grow legs.

When the toads are only half an inch long, they are put into a pen where they feed on flies. In one pen Mr. Kirsten has 5,000 of these amphibians—which is the technical name for the family to which toads and frogs belong. Not all grow up. Disease and accidents cost the lives of many but 1,000 of them are pretty certain to survive.

While growing toads to get rid of an insect pest, Mr. Kirsten carried some of them into the house and let them hop around his desk.

A TOAD'S BUMPS ARE INTENDED TO MAKE HIM HARD TO SEE

He enjoyed their company and every day afterwards, he took toads in the house. They also liked his company and they especially enjoyed radio music.

Finally Mr. Kirsten tried to train toads, with some success.

• • •

BESIDES growing amphibians, Mr. Kirsten makes and sells terrariums—which are parks or places for keeping small animals. These are miniature landscapes with moss and tiny trees growing in them. Home-made ones can be fitted into a box or a basket with a screen over the top to keep the animals from hopping out.

Mr. Kirsten says toads, like pigeons, dogs and bats, have a homing instinct. When first captured they should be kept confined for about two weeks. After that time they'll come "home" after running loose at night.

The oldest known toad is 48 years old. They seem to show no signs of aging and no one knows how long they would survive if they lived a life free of accidents. But toads are a choice morsel of food for many other creatures.

Toads eat only living bugs, worms and insects. They will not attempt to devour anything that is not moving. Insects seem to know this and often "play dead" when dropped near a toad. Once an insect moves, he's a goner.

When you offer a toad scraps of meat or bits of egg, stir the food with a toothpick so the toad will eat it. Raw liver is a delicacy for a toad and they like candy, but they won't touch these things unless they are in motion. Starchy foods give toads a tummyache.

• • •

TOADS do not require heat. They like cold weather and so if you're going on a vacation, put your toad in the refrigerator. He'll sleep while you're gone and be as lively as ever after you return, even if you are away several weeks. They do not require much food.

Bumps on the toad's skin are not warts and, contrary to superstition, toads do not cause warts. The bumpy skin is simply camouflage which enables a toad to look like a piece of ground and avoid his enemies.

When your toad pet gets the size of a hen's egg, set him free in your garden near a pool and provide a small cave at the edge of

A TOAD IS EASY TO KEEP-JUST PUT HIM IN THE REFRIGERATOR (OH, YEAH? SAYS MOM)

the pool for his home. He'll take care of himself and destroy many harmful insects. He'll probably live there the rest of his life.

A toad is somewhat different from a frog. A frog must have water all his life and will die if his skin dries. This is because the moisture in the frog's skin helps him breathe through the pores.

SNOW STORM IN A BOX

1. Take a BOX about 5 inches wide, 6 inches long and 2 inches deep... Cover inside of box with DARK BLUE PAPER.
2. Cut a PICTURE from a CHRISTMAS CARD... leave a 1 inch tab at the bottom.
3. Cut a roof from blue paper as shown
4. Paste picture (standing) in box... Paste roof in back of picture 1 inch down from top. Paste thin strips of COTTON in back and front of picture.
5. Put ¼ cup of CHRISTMAS SNOW in box... cut a piece of CLEAR CELLOPHANE 1 inch larger all around than front of box... fold corners under, fasten on all sides with strips of ADHESIVE TAPE.

TILT BOX DOWN AND UP... and WATCH THE SNOW FALL!

Birds and Weather

When birds fly close to the ground, expect the sky to become cloudy, and there may be rain. Birds can find more insects close to the ground when the air is damp. Insects can't fly high when there is moisture in the air.

DONKEYS COME OUT BEST IN BASKETBALL AFFRAY AT JEFF GYM

Eleven donkeys and a group of temporarily wacky casaba artists rough-housed all over the Jefferson high school gym last Monday night in a futile attempt at playing basketball. About a thousand local citizens paid admission to witness this event, the second annual donkey basketball game, between those arch rivals, the Lions Club, the school faculty, and the donkeys.

The donkeys won.

Other results of the melee included minor injuries and bruises to every player, $168.75 more in the school athletic fund, and a disputed tie score of 4 to 4.

The Lions viewpoint was that they won, 6 to 4, because a teacher pulled his rank on a student referee.

It seems that nobody knew the rules for this game, according to one Lion player, except the student referee and a few of the teachers. And so everybody was violating all the regulations, including an alleged rule that a player must be hanging on to his donkey before passing the ball.

Walt Rector, playing for the Lions, was out of bounds (what bounds?) while his donkey stood in the middle of the court, bewildered. Rector passed the ball to his teammate, Joe Lewkowitz, who made a basket.

Then a member of the faculty team ran up and allegedly told the referee to call it a foul. The student ref did just that, and the teachers got a free throw, which missed the bucket.

This was the only foul called during the game.

The Lions claimed that the faculty men had been passing the ball unmounted all through the game, and anyway, it was unfair to make up the rules as you go along.

To which a teacher replied, "The rules are the rules."

"The Lions are just bitter," he continued, "because our star player last year, D. Vollbrecht, got the ball away from the mayor of Daly City (who was playing for the Lions) by choking him slightly."

(The faculty won from the Lions last year, 22 to 6.)

A baby donkey, cavorting and following the other donkeys, delighted both children and adults in the galleries, and was the real star of the game as far as the former were concerned.

The little donkey was about a year old. He stood as high as a large dog, had large ears, appealing eyes, and long legs.

High-point man Joe Lewkowitz basketed two field goals for the Lions, plus the disputed field goal.

The faculty's four points were chalked up by Truman Pfeffer and Howard Miguel. Each made a field goal.

This was a rough game. It was supposed to be basketball played on the backs of donkeys, but at least one player fell off his donkey every minute of the game. Twice that many got pulled off.

Some players couldn't get on their mounts for a whole quarter because somebody was always coming along to yank them by the hair, collar, or arm before they could get on.

At any one time during this attempt at a cage contest there were as many people sprawled out on the gym floor as there were on donkeys.

The donkeys wore rubber shoes.

These stalwart quadrupeds took everything in their stride, even when six or seven players piled up on the ball with a donkey somewhere in the middle.

Players charged around the floor as fast as they could on their sanguine mounts.

It could just as well have been called donkey football.

Profits from the fracas go into the student body athletic equipment fund.

Players for the Lions Club included Elio Fontana, Walt Rector, Mike Callan, Jim Snell, Joe Lewkowitz, Tom Laramie, and Gil O'Shaughnessy.

The following were on the faculty team:

Stanford Hannah, Vic Binsacca, Truman Pfeffer, Grant Moseley, John Mongan, D. Vollbrecht, Joe Lassegues, Frank Kane, Howard Miguel, Herman Lair, Joe McGrath, and Elman Rose.

THE PRELIMINARY

Borlo Athletic Club edged out the Colma Boys Club 63 to 48 in a fast moving preliminary match.

Both scores would have about doubled if the teams had made half the baskets they tried for. Everybody was making a shot for the basket, but most of the shots went wild. Maybe the boys were nervous.

Still and all, the preliminary was good basketball. Both teams featured fast breaking and free shooting offensive patterns.

High-point man Bob Savelly rolled up 19 points on the scoreboard for the Colma team, to which Johnson added another 14 points.

For Borlo A.C. Julius DeMoor chalked up 15 points, which made him high-point man on his team. Elmer Clow was not far behind, with 14 points to his credit.

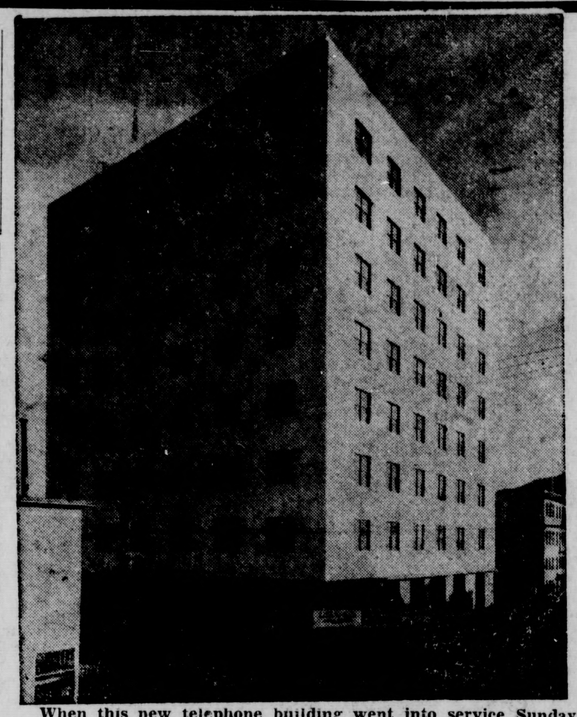
Burlingame Gate Imp. Assn. Joins Bus Fare Protest

Adding its voice to the protest against the recent jump in rates of the Greyhound bus line between San Francisco and Peninsula points this week was the Burlingame Gate Improvement association.

A letter presented to the public utilities commission in San Francisco read, "The club members feel the new rates are unduly high and warrant careful reconsideration because such rates adversely affect the welfare and commerce of communities in this area.

"While it is appreciated that public carriers are entitled to a reasonable return for service rendered, it is also true that the lowest possible rates should be maintained with a view to increasing trade, encouraging growth of population and establishment of new industries."

No official action has been taken by Peninsula cities in spite of all objections made to the new fare increases. Not a single person from the Peninsula raised any objections at the hearings on the fare increases, according to officials of the Greyhound company.



When this new telephone building went into service Sunday, February 20, all but 900 of San Francisco's 420,000 telephones were dial phones.

The new eight-story telephone building located at 25th and Capp Streets houses dial equipment, and serves 40,000 Mission District telephones which went to dial operation Sunday morning. The entire project represents a gross cost of $8,446,000 for land, building and equipment.

De Young Museum in San Francisco's Golden Gate Park is of reinforced steel and concrete construction with salmon-colored stucco exterior.

Red Cross Drive Not Doing Well In This Locality

More Effort Is Needed To Meet The 1949 Quota

Stressing the need to cooperate with the San Mateo Red Cross in following the slogan "Give Where You Live," Mrs. Anne Ingersoll, chairman of the Daly City drive, reminded residents here that San Mateo and San Francisco form two entirely different Red Cross chapters. If you, or any of your family needs help, it will be from your residence county that you must obtain it, Mrs. Ingersoll said.

"In view of this, it would be nice if those working in San Francisco ask their employers if they could give one-half to the community in which they live, and one-half to where they work," Mrs. Ingersoll said.

"It would also help Red Cross workers if those who have already donated would put their 1949 stickers in their window so that they will not be called upon again," she said.

So far only $125 of the $2000 quota has been obtained. Two weeks more of the drive remain.

No house to house campaign is taking place in unincorporated Colma, but Mrs. M. Pauline Brown, chairman, will be stationed at the Bank of America from 10 a. m. to noon and from 1 to 8 p. m. every week-day during the drive. Mrs. Brown has various meetings scheduled and is sending out letters requesting donations.

Chairman of the Broadmoor Village district is Mrs. Jean Brugge. She is assisted by 24 workers. Mrs. Margaret Damon is chairman of Garden Village with 4 workers. Covering the business district is George Irving while Ed Weisenburger will handle Colma Incorporated. Combined quota for the latter districts is $1800. No returns are in as yet.

A tea for Red Cross workers was held recently by Mrs. Brown at her home at 160 Washington St. Among those attending was Mrs. Jane Durand, chairman of the permanent fund planning committee, and also the new executive secretary of the organization.

MOVE TO DALY CITY

Margaret and Gertrude Clark owners and managers of the R and R Baby Shop on Mission street have recently moved to Daly City. They are now living at 102 Shakespeare street.

JEFFERSON HIGH GIRLS' SPORTS

By Claire Allen

Lower classmen began their basketball season last Monday. Their scheduled playing days are Mondays, Wednesdays and Fridays, while the upperclassmen play on Tuesdays and Thursdays.

With the opening of the swimming pool, to students only, there is quite a varied number of activities open to the students in the gym classes. Mondays are set aside for folk and square dancing. Tuesdays and Thursdays are for swimming, and Wednesdays and Fridays are used for basketball. This schedule gives the girls no time for exercises, but instead gives them activities in the gym which they much prefer.

The pool will be opened to the public every night except Saturday and Sunday beginning March 1. Wednesday night is for women only. Saturday afternoon is for youngsters and adults.

Last Saturday night the Girls' Block "J" Society went on a skating party. Two girls, Barbara Saumer and Loretta DeBello, received their blocks. Many Jeff students were at the rink. Two other girls received their blocks on Monday. They were Theresa Ferrari and Margie Chase. Magdalena Merino also had enough points but since she has moved her block will be sent to her.

The G.P.A.L. and Girls' Block "J" Societies presented their display on the bulletin board this week. It showed the activities and emblems of the two organizations. Each club and department has a chance to prepare a display to show its work. The girls' sports display was very interesting as well as explanatory.

The dancing classes are learning dances from Palestine, Ireland, and Sweden. These are quite lively and the girls find them great fun to do.

Ford wins Gold Medal Award of the Fashion Academy of New York
Fashion Car of the Year
1949
1949 Ford
What Sterling is to silver, New York's Fashion Academy is to the world of style! This year, this distinguished authority awarded its coveted gold medal to the 1949 Ford as "America's Fashion Car of the Year!" But five minutes behind the wheel will tell you that the '49 Ford's beauty is only half the story! When you drive a Ford you feel the difference—you feel the greater comfort, the "finger-tip" ease of handling, the responsive power of the engine. You get a true road-hugging feel of the highest priced cars. Ask your Ford Dealer today for a ride in this genuinely post-war car.

BANK OF AMERICA MAY INCREASE CAPITAL STOCK

A special meeting of the shareholders of the Bank of America has been called for 2 p.m. on March 7 at 300 Montgomery street, San Francisco, to vote upon a proposal to increase the capital stock of the bank by payment of a common stock dividend to the shareholders on the basis of one share additional for each five shares owned.

Formal notice of the meeting has been sent to all shareholders of record. Shareholders are urged to fill out proxy forms and return them immediately, for use in case they are not present in person at the meeting.

John Attenisia Is New Enlistee In U.S. Marine Corps

Departing from the family tradition, John F. Attenisia, 18, of 335 Irvington street, enlisted in the U. S. Marine Corps at the Marine Corps recruiting station, Federal Office building, San Francisco. His father, a retired chief petty officer, is a veteran of 30 years service in the U. S. Navy, but John decided to add a little variety to his experiences, having been born in Cristobal, Panama, while his father was on duty there, and brought up in the Navy.

Attenisia, who graduated from Jefferson Union High school in June, 1948, is interested in automotive engines and hopes, during his 1-year Marine Corps enlistment — open to 18-year-olds only — to qualify for a mechanical school which will equip him for a job in that line on discharge. Should he be selected for such a school, the major part of his year's service will be taken up with schooling and subsequent on-the-job experience in his chosen line.

While attending Jefferson Union High, he played varsity football, second string basketball, and placed on the 130-pound swimming team. These interests he hopes to continue while in the Marine Corps, which is famed for its emphasis on sports and for the top teams it produces.

BRAKE WITH ENGINE

When driving an automobile down hill, use of a gear which will permit the very minimum of control with the foot brakes is recommended by the California State Automobile Association. If the engine is allowed to do the braking, wear and tear on brake lining will be prevented.

Motorists should always follow the car ahead at a distance great enough to permit them to come to a full stop should the driver ahead suddenly apply his brakes, advises the National Automobile Club.

San Mateo County Participates In Bldg. Fund Drive

With the Good Shepherd Building Fund Appeal of $750,000 as their goal, volunteer workers of San Mateo and twelve other counties are bending every effort to make their county's share in the drive a success, Robert A. Higgins, San Mateo county chairman, said today. Hon. Edmund Scott is co-chairman for this county, and Rev. Harold F. O'Day is Archbishop Mitty's representative here.

Community chairmen include Michael Callan, Colma; Mrs. Leo Hughes, Belmont; Elmer J. Hughes, Burlingame; Richard J. Ennis, Daly City; Mrs. George Montgomery, Hillsborough; Harry E. Goss, Menlo Park; Mr. and Mrs. Geo. L. Kelly, Milbrae; John W. Ryan, Redwood City; Josh Maule, San Bruno; J. Dan Farris, San Carlos; Thomas Moroney, San Mateo; and Hon. Leo Ferko, South San Francisco.

KEEP MIND ALERT

When driving at night in traffic, always dim your headlights for oncoming cars — but never dim your mind, urges the California State Automobile Association. Alertness is always important, but never more so than under difficult night-driving conditions.

NATIVE DAUGHTERS MAKE DONATIONS

A donation to the Good Shepherd Home for delinquent girls was made recently by El Carmelo Parlor No. 181, Native Daughters of the Golden West as part of their civic participation.

An Afghan was presented to a deserving veteran at Palo Alto Veteran's Hospital. Material was supplied by El Carmelo Parlor and knitted by Mrs. Helen Samanovich, a member of the parlor.

Birth Rate Up --- Planning Needed For Schooling, Rec.

The need for planning baywide community resources for children's health, schooling and recreation, was pointed out last week by Frank E. Marsh, general manager of the San Francisco bay area council.

The increased birthrate and population was the main reason necessitating the planning.

Almost 1500 more babies were born to San Mateo residents in 1947 than in 1940, according to a report released recently by the council. Total number of babies for that year born in San Mateo county was 4766.

In the entire bay area, a total of 64,110 babies were born during 1947, compared to 24,163 in 1940.

The term "Mother Lode" was first applied to the original gold-bearing area of California about 1850 or 1851.

MIXTURE TOO RICH

It is an almost unmistakable evidence that the carburetor mixture is too rich if the engine can be started from cold without using the choke, points out the National Automobile Club. When the weather gets warmer, this fact is one that many motorists will overlook to the disadvantage of their pocketbooks. It means wasted fuel.

UNBALANCED WHEELS

Tire patches, boots and certain types of vulcanized and retreaded tires on a car may cause an unbalanced condition that cannot be satisfactorily corrected by a wheel balancing operation. The California State Automobile Association advises that such tires must be replaced before the wheel and tire assembly can be properly balanced.

HI-LITES AT C.C.S.F

By Roy Hurlbert

At first available census taken at the start of the new semester, by a few patient die-hards of the query poll variety, the following data were brought to light. Of the estimated enrollment of over 5,000 students, the survey revealed that approximately 1128 individuals had come hither from East Bay and other California high schools. Five hundred students have matriculated from out-of-state high schools while exactly 155 people of foreign extraction are presently partaking of American instruction at CC.

Contributing the greatest number of incomers from local districts were Washington, Lowell, Lincoln, Balboa, Mission, Commerce, Polytechnic, Galileo, and Girls High, in order, from most to fewest. In the overall student body, Washington alumni are in the majority, with Lincoln, nearby Balboa, Lowell, Mission, Poly, Galileo, Commerce, and Girls High trailing in decending rank.

Veteran attendance witnessed an expected dwindling with a ratio of 1 out of every 6 students, former G.I.s currently, as compared to fall '48's proportion of 1-5. Males predominate at 5-1 according to the survey conducted by Dale "where ya from" Butterfield, college journalist and sophomore prexy.

EXECUTIVE BODY FORMED

Smilin' Pete Isola, everybody's friend out City College way, laid the ground work for his new duty as Associated Student president last week with the appointment of a "President's Cabinet" and various supervisory committees for student administration this term.

Helping out as cabinet members are Corrine Lambert, vice-president; Harry Williams, AMS president; Barbara McBride, AWS president; Peggy Logan, AS secretary; Nelson Jones, alumni liaison officer; Butterfield, sophomore president; Jack Kearns, freshman president, and Larry Webber, our rah-rah yell leader.

Gentleman Jim Caldwell, men's athletic commissioner; Roy "the traveler" Pasini, publications board chairman; George Campanis, director of public relations, and monetary controllers, Bill Hansen, student card sales, and Danny Lagan, finance chairman, and Nancy Lane, assistant secretary, are all on the block for approval in these capacities.

FRATERNITY DOINGS

Tri Epsilon inked the social calendar with the first big attraction of the spring with their sponsored presentation of the darling-Clementine-attired Gold Rush Daze shuffle, tomorrow night in the west campus auditorium at 8:30 o'clock. Bandsman Bob Britton will provide the strut tempo of the 'til midnight affair which features a handsome reward to whomever discovers the fabled badman Waukeen Merryette during the waltz-me-around-agin-willyuming. Five smackeroos comprise the booty which may fall to the apprehender if it comes to pass.

Short noticing the club circuit we find that the organized groups will send representatives to a special session today during a regularly allotted hour session to talk over activity planning.

RAMLAND ATHLETICS

City College's fancy dan basketballers, wind up their NCJCC hooping tonight as heavy favorites to draw San Mateo J.C.'s Bullpups into their victory clutch for the second time and thereby finish out their southern division labors as bracket titlists with an 11-1 loop mark, qualifying them for the championship playoff with northern division powerhouse Grant Tech of Sacramento, 12-0.

The Rams erased any and all threats to their supremacy last week as they vanquished Stockton, 59-32, and came from behind in an uncommon role all season in nullifying runnerup Modesto's near spoiling pob, 43-41. In turning back their central California hosts, the locals wrote triumphs 23 and 24 out of 25 tilts in the 48-49 campaign book, which makes them rate among the ceded quintets of their caliber throughout the state and possibly the nation. The Hillsmen hiked across the bay to Moraga Tuesday for a "no count" engagement with the St. Mary's Frosh, a contest too late for deadline results at this time.

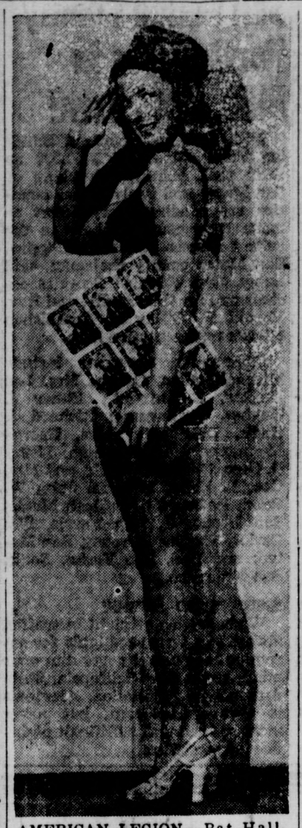
ODDS AND ENDS DEPT.

Dr. Richard R. Kelley, chairman of the executive board of the Alumni Association, welcomed Nelson Jones as the newly appointed alumni liaison officer succeeding outgoing Jack Hagan, last semester's bigwig in post-graduate affairs. Blond thatched Jack is the kind of guy who gets things done in an effective and satisfying manner and received unanimous acclaim as having done a lot in furthering alumni organization.

With the trend of veterans in the institution's classes on the decline, prevailing petitions rumored to have been circulating demanding the monicker of City College be changed to a more fitting "Old Soldiers Home," went for naught according to comedian deluxe Stan Cordes, instigator of the idea. It seems funnyman Stan will have to invent another of his originals if he is to satisfy the likes and dislikes of the collegiate populace.

CRATER LAKE

Oregon's Crater Lake, 2,000 feet deep and the deepest lake in the United States, is reported to rest in the caldera of a prehistoric volcano. The National Park Service has planted fish and food sources for the fish in the crystal clear waters and no fishing license is necessary.



AMERICAN LEGION—Pat Hall, Universal-International star, this week was chosen queen of the California Legion's Sixth Annual Rehabilitation Stamp Sale. The drive is held to help raise funds for the Legion's Rehabilitation and Hospital welfare program. All veterans are helped with the money received whether they are members of the Legion or not.

KEEP GLASS CLEAN

A clean windshield not only improves visibility but it is handy in other ways, declares the National Automobile Club. For instance, when it rains there will be no abrasive clinging to it to scratch the glass whe nthe windshield cleaner is brought into service. When on the long trip always keep the rear window clean. Fast driving creates a vacuum that pulls the dirt onto the back of the car. A dirty window prevents use of the rear-view mirror. Side windows should also be kept clean for best possible visibility.

Gen. Mark Clark Asks Reserve Corps To Stay In Army

Members of the Enlisted Reserve Corps of the Army of the United States, whose enlistments will expire within the next several months are being urged to re-enlist immediately upon termination of their present enlistment period, General Mark W. Clark, Sixth Army commander, announced today. In addition, all former members of the ERC are invited to participate in Reserve activities through re-enlistment.

The present drive for increased membership in the Enlisted Reserve Corps is based upon the objective of safeguarding the security of the United States as well as maintaining our leadership among the nations of the world.

Today's modern Organized Reserve Corps, of which the ERC forms a part, offers an opportunity to every physically and mentally qualified young man in America of keeping up-to-date on the latest developments in military science. Members of the ERC are given a chance to advance in grade and, if qualified, are afforded the opportunity of receiving a direct commission in the Officers Reserve Corps.

Enlisted Reservists are now eligible for retirement benefits recently authorized by Congress, and, in addition, are entitled to receive inactive duty training pay for attendance at authorized unit training assemblies.

Captain Cook discovered the Hawaiian Islands in 1778 and met his death there on his second visit in 1779.

PARKING ON HIGHWAY

It is well to keep in mind when traveling in strange states that most of them have laws prohibiting parking of vehicles on the road surface if it is possible to do otherwise, warns the National Automobile Club. All insist upon no parking when visibility of the car in either direction is less than 200 feet.

A log or heavy piece of wreckage which floats almost entirely submerged is called a sleeper.

It's getting around..

EVEN THE LIFE SAVER KNOWS ABOUT MYRA'S!

A man's drowning, but what's THAT when news like this is going around town! "Listen, lady," says the bronzed lifeguard, "if you REALLY want to get in the swim socially and have some beautiful photographs, I know the place to go — and it's here in Daly City, too!" So he tells her about MYRA'S PHOTO STUDIO. He mentions our superb work, our unexcelled Service — our friendly cooperation — and he convinces her (as we hope we're doing YOU) that MYRA'S is the answer to your photographic quandry. Photographs that are a "study" of the true YOU" — that bring out the qualities of your personality — given with pride and received with pride. Call us NOW! It's our pleasure to be of Service to You!

MYRA'S PHOTO STUDIO
6275 MISSION ST. JU 7-3488
"ANYTIME—ANYWHERE—MYRA'S THERE!"

Okinawa: Last Battle First Official Record of World War II Appears

"Okinawa: The Last Battle" is he title of the first of the combat volumes to appear in the U. S. Army World War II series, an official record of the war. In this historical record more than 90 volumes are in preparation.

The story of Okinawa will be a treasure to the men who fought there. It was written by Roy E. Appleman, James M. Burns, Russell A. Gugeler and John Stevens. It also gives the thoughtful reader a vivid understanding of the furious fighting that took place in that Pacific area. The authors were members of historical teams who accompanied combat divisions observing the action, interviewing officers and men, including key commanders, and accumulating action photographs. They later revisited the scene of conflict, drew sketches, and finally returned to Washington to complete their study by reference to all pertinent official American documents and journals, and captured enemy records.

"Okinawa: The Last Battle" reanimates one of the most savage encounters in history. The Japanese defended Okinawa as one of their home islands, pitting all their war experience against the total war experience of the Americans. Deeply entrenched in the coral rock of the island, in a system of fortified caves and tombs, the Japanese clung tenaciously to every foot of ground. Relentless as Greek tragedy the battle moves to its conclusion—the total collapse of the Japanese, with suicide for their top commanders and the death of ten Japanese soldiers for each American. Nor was the cost to the victors light. Lieutenant General Simon Bolivar Buckner, Jr., Commanding General of the U. S. Tenth Army, was himself killed in action as the campaign drew to a close.

The book is illustrated with 200 action photographs and 54 superb maps that detail the progress of the fighting with appendices of troop lists, charts and statistical tables. It is for sale by the Superintendent of Documents, Government Printing Office, Washington 25, D. C.

EFFICIENCY AND ECONOMY

It is better to take depreciation a little at a time than all at once. The car owner who takes it all at once allows inefficiencies in performance to accumulate to a point where a really complete overhaul is necessary.

The owner who prefers the other method of absorbing depreciation takes the car to the service station regularly or himself remedies the minor maladies as they develop. Considering the infinitely better performance at smaller cost that this system nets, the other is a false economy that should be avoided.

Woman wanted to care for two boys, 2½ years and 8 years old, 7:30 a.m. to 6 p.m., six days. Salary and meals. DElaware 3-7447 after 6:30 p.m.

This Queen Really Reigns

Shirley Lucas, reigning as queen of the annual Palm Springs, Calif., rodeo, gives a queenly display of her talents as a trick rider. World champion cowboys and cowgirls from all over defended their titles at the meet.

PETRIFIED FOREST

Petrified Forest National Monument, located about 20 miles east of Holbrook in Arizona, is reported by the aNtional Automobile Club to contain the petrified remains of prehistoric trees. Some of these trees are as large as 250 feet in length and all blend in gorgeous hues.

OVERDRIVING HEADLIGHTS

Motorists should never overdrive their headlights at night, warns the aNtional Automobile Club. If you drive at such a speed that you cannot come to a full stop within the distance illuminated by your headlights, you are taking one of these chances that all too often end in disaster.

A voyage around Cape Horn or the Cape of Good Hope is usually referred to as a deep water voyage.

Directing a quartermaster as he steers through narrow or congested waters is called conning the ship.

SPORTSMEN'S CALENDAR

The Division of Fish and Game reminds California sportsmen of the following general regulations which apply to current hunting and fishing:

STRIPED BASS — No closed season. Bag limit: five fish or 25 pounds and one fish, except that, irrespective of weight, at least two fish may be possessed. Size limit: 12 inches.

BLACK BASS — Ends March 1 in all counties north of Mono, Madera, Fresno, Kings, San Luis Obispo. No closed season elsewhere or in Clear Lake. Bag limit until March 1: 10 fish. Bag limit after March 1: five fish.

SUNFISH, CRAPPIE, SACRAMENTO PERCH, CALICO BASS —Ends March 1 in all counties north of Mono, Madera, Fresno, Kings, San Luis Obispo. No closed season elsewhere or in Clear Lake. Bag limit: 25 fish of all species in aggregate.

CATFISH — No closed season. Bag limit: 15 pounds and one fish in the aggregate in the round. Night fishing prohibited, except in District 22. 1949 angling license required.

STEELHEAD TROUT AND SALMON — Ends February 28 in specified streams. See abstract of angling regulations.

"Rank carelessness and sheer stupidity caused most of California's 89 hunting accidents during 1948," asserts the chief of the Bureau of Game Conservation, Division of Fish and Game.

In announcing a record annual total of 38 hunter deaths — probably the nation's high — Chief Joseph S. Hunter blamed lack of safety training as a primary cause in most of the accident cases. Sixty-four hunting mishaps were gun-caused.

"Fathers shot sons; sons shot fathers; brothers shot brothers; nephews shot uncles; brothers-in-law shot brothers-in-law; and friend shot friend — not a record to be proud of," Hunter stated.

"Sound" hunters, shooting in areas with limited visibility, caused four deaths and several non-fatal accidents. Loaded guns in automobiles accounted for seven fatalities.

Nineteen firearm accidents resulted in mortalities, and one hunter is still in such critical condition he may die, Hunter reported. Deer and upland game hunting ranked as the most dangerous sports in the annual report. Nine deaths and 18 gunshot wounds were scored among deer hunters, while pheasant, quail, and rabbit hunters experienced eight deaths and 21 non-fatal casualties.

California's most unusual mishap occurred when a sleeping deer hunter awakened in his car with a start when the alarm sounded; upset the clock; the clock hit the trigger of his six-shooter; the bullet went through a spare gasoline can; the blast set fire to the gas, and the hunter burned to death.

A deer hunter asleep in his sleeping bag was shot through the shoulder by another hunter. Two deer hunters were killed and another injured when they fell over cliffs while chasing wounded bucks. One nimrod accidentally shot his brother while rabbit hunting and in remorse, promptly took his own life.

The State's appalling hunting accident rate will continue, Hunter believes, until every person who carries a firearm afield practices the basic rules of safety — treat every gun as if it were loaded; look before shooting; and never mix gunpowder with alcohol.

In San Francisco's Golden Gate Park there are no "Keep Off The Grass" signs.

Lomita Park Council Protests Greyhound Bus Fare Raise

Another protest against the recent hike in Greyhound bus fares was raised last week by residents of Lomita Park at the meeting of the community council Thursday evening.

The group carried a motion to write to the company an official condemnation of its action.

The council listened to a letter from Attorney Francis A. Guido of San Mateo which urged the council to take action against the Greyhound company. The letter also suggested the council protest the construction of a highway on the No. 40 carline right-of-way, which, it was claimed, would put practically all the burden of cost on the property owners.

An expert in the various manipulations of a line, such as splicing and knotting, is called a marlin spike sailor.

Unity in Fashions and Furniture

You're not just seeing Trojan horses before your eyes. Model Alyse Debney is really wearing a dinner dress in Trojan horse design, which is repeated in the host chair, the drapery, the place mats and no telling where else. The matching furniture, fabrics and clothes were created by designer Robert Dorr, Jr., and shown at a furniture show in Los Angeles. Heaven help Pop's pocketbook if the idea should spread.

FAIR BOARD PRESIDENT — W. C. Wright of Sacramento has just been appointed by Governor Warren as president of the California State Fair. He succeeds Fred H. Bixby, Long Beach, still a board member, whose term as president ended February 1. Wright is the first Sacramento member to head the State Fair Board since 1892.

MOTOR VEHICLE PRODUCTION

American factories produced a total of 5,282,000 motor vehicles during 1948, reports the National Automobile Club. This total is 10 per cent above that for 1947, only 76,000 units short of the all-time record high of 1929, and marks the second time in history that more than five million motor vehicles have been produced in a single year.

ANCIENT ART

At the Celilo Falls of the Columbia River near The Dalles in Oregon, Indians are reported to spear and net salmon with the same type of equipment and the same technique that was in vogue with their ancestors centuries ago. Treaty rights drawn up with the United States in 1855 protect their fishing privileges.

TIRE CHANGING TIP

Removal of a wheel and tire assembly from an automobile can be simplified by loosening the wheel nuts slightly before raising the car, advises the California State Automobile Association. In the same manner, the final nut tightening after the wheel has been replaced should be made when the car has been lowered so as to make sure that the wheel nuts fit firmly in the grooves provided for them.

Ten Points Preference Given Veterans in State Civil Service Examinations

Veterans in San Mateo county who expect to complete college or university courses this June may be able to step right into junior professional positions with the State of California, Floyd D. Granger, veterans service officer reported today.

As veterans, Granger pointed out, they are entitled to 10 points preference on State civil service examinations. Those with a current service-connected disability rating of 10 per cent or higher are entitled to 15 points.

The State Personnel Board has scheduled a series of examinations to be held on Saturdays during February and March in a total of 29 types of jobs. These include engineering, architecture, and several other professional and scientific categories, and various administrative fields.

Students can take the examinations this month or next, be notified well in advance of graduation of their place on eligible lists, and then be certified to State civil service positions upon graduation.

Granger urged interested veterans to file without delay their application for the 10-point or 15-point preference. In the case of those seeking only the 10-point preference, a single application suffices for all State civil service examinations they may want to take now or in the future. For the disability preference, separate applications must be filed with the State Department of Veterans Affairs for each examination.

Application forms are available at the Veterans Service Office. A copy of the veteran's discharge must accompany the application.

Paratroopers to Show Loading of C-119 Plane

A detachment of crack paratroopers of the Army's 82d Airborne Division will demonstrate loading of personnel and equipment on the new C-119 cargo and troop transport plane as highlight of an air show at Hagerstown, Md., in March.

The occasion will be the formal inspection by the Air Force of the first C-119 aircraft to be turned over to it by the Fairchild Engine & Airplane Corporation. The new plane is the first of 136 C-119's being built for the Air Force by the Hagerstown firm. An improved version of the C-82 "Packet"—the armed services' first post-war transport plane—the C-119 is expected to meet more adequately the needs of combat organizations like the 82d Division in airborne operations. Greater payload capacity resulting from increased engine power is a main improvement embodied in the new transport.

Powered by two Pratt-Whitney Wasp Major engines with take-off ratings of 3,250 horsepower, the C-119 will carry a load of nine tons for 2,000 miles as compared with the C-82's five-ton payload for that approximate range.

The C-119's cargo capacity of over 3,000 cubic feet enables it to carry 42 fully equipped combat troops, plus 20 parachute supply bundles suspended from a monorail. Used as an ambulance plane, it can transport 36 litter patients with their attendants.

Increased window area in the plane's nose section provides improved pilot vision for formation flying. Windows on each side of the nose section at floor level below the pilot and co-pilot furnish better visibility for delivery of paratroops and parachute supplies.

In keeping with the armed services' policy of having the men who will use these planes in combat get acquainted with them early, a specially chosen group of 82d Division soldiers in January received a pre-view of the C-119 and the new XC-120 detachable-fuselage plane at Hagerstown during construction.

PEDESTRIAN'S RIGHTS

On one question of "rights," as between drivers and pedestrians, the car owner apparently is too often in the wrong, states the National Automobile Club. That seems to apply in the case of the green light giving the car owner an unqualified "go" signal. Courts have held that his right to move on the signal is not unqualified, that pedestrians in the intersection must be allowed to clear before motorists waiting for the signal may move. It is a "right" of the pedestrian as the court sees it.

The Quality of Mercy...

Our finest moments have been moments of the heart and the spirit.

A boy has wept for his dog. A woman has ministered to the sick. A man has gone hungry that another might eat.

The quality of mercy.

That is the something in people which has made it possible for your Red Cross to carry on its missions of mercy year after year.

The quality of mercy.

That is the something in you which will tell you now to help others next year—through your Red Cross.

You, too, can help through Your RED CROSS
Give Now!

No. 1 Babe

Leonard Gunnells, born New Year's Day in Prattville, Ala., is the nation's number one infant. At least Leonard—pictured above with his mother—holds number 101-49-000001, the lowest number assigned in the new nationwide numbering system which went into effect Jan. 1. The 101 is for Alabama, the 49 is for the year, and the last six digits show the position he takes in Alabama birth records. Henceforth, all babies born in the U. S. will be so numbered.

SAN MATEO JAYSEE NOTES

"Our Hearts Were Young and Gay," the delightful movie comedy, has been selected as the term play to be presented at San Mateo Junior College in April. The 17-member cast is now being selected. Harry Keats of the faculty will direct the production.

The junior college will close its conference basketball this Friday evening when San Francisco City College will come to San Mateo. A dance with an orchestra will follow the game in the Baldwin Avenue gym.

As basketball ends, San Mateo starts another spring sport, baseball, with 27 men now practicing under the direction of Coach Herb Hudson. His men are already prepared for practice games, but the conference does not open for several weeks. Golf, tennis, and track men are all taking workouts preparing for the practice and league events yet to come.

Cec Riley, managing editor of the college newspaper, has been selected as a member of a group of college editors to be the guests of the U.S. Navy this week. After flying to Las Alamitos, the Navy bomb testing grounds, the editors will be taken to Pensacola, Florida, where they will board a carrier for a two-day trip in Navy war games. The trip will last one week.

Lynn Jaeger, who has spent ten years in Africa, will give the second of his two lectures on southern Africa at the junior college Monday evening. The public is invited to the illustrated lecture starting at 7:30 o'clock.

test SAFEWAY RIB LAMB CHOPS for EATING VALUE!

You'll find them wonderful eating . . . or the chops are yours FREE!

The guarantee below holds good on ALL meat purchases at Safeway markets.

THEY'RE TRIMMED BEFORE WEIGHING . . . you don't pay for excess bone or fat—at Safeway the long "tail" of the rib and the end of the chine bone are removed before weighing.

THEY'RE FROM GOVERNMENT GRADED LAMB . . . only top U. S. Government grades are selected for you by Safeway experts.

THEY'RE AGED FOR TENDERNESS . . . in specially-designed, temperature-controlled, aging rooms to bring out peak flavor and tenderness.

TAKE HOME some Safeway Rib Lamb Chops—cook and serve them the way you prefer . . . EAT EVERY BIT OF THEM . . . Judge them for tenderness, juiciness and flavor . . . IF YOU DON'T LIKE THEM—for any reason—your own Safeway market man will give all your money back, without return of the meat.

Check . . . and double check

Ever get home from a shopping trip and wonder what you paid for one or more of your purchases? This should never happen when you shop at Safeway. We try to make sure you know exactly what you pay for every item.

We give you information about our prices in several ways. First, in our advertising; next, on the shelves; on cans and packages, where practical; then, by calling prices at the check stand. Our checkers are instructed to call out the price on each item as it is rung up on the cash register. As a final check, the itemized cash register receipt is placed with your purchases to go home as a written record of what you paid.

Price information is always important. To you. To us. To everyone. Safeway service is planned to make sure you know each price and know that your purchases are accurately checked and totaled.

All items subject to stock on hand—right to limit reserved

Advertised prices effective February 24, 25, 26

"These prices effective in San Francisco and Daly City. Most of these prices also apply to South San Francisco, San Bruno, Millbrae, Burlingame, San Mateo, San Carlos and Redwood City, but residents of these cities are advised to see their local newspaper for local prices."

Bay Area Plots Smog Control

The San Francisco Bay Area Council has been named coordinating body for a study of air pollution for the entire bay area, it was announced recently following a meeting of representatives of bay area counties in Oakland.

Cooperation with any program drafted by the Council was assured by representatives of the College of the Pacific, University of California and the Stanford Research Institute. The latter, an affiliate of Stanford University, has been engaged in a study of smog in the Los Angeles area for eighteen months.

Mayor Elmer E. Robinson keynoted the Oakland meeting, when he declared "the way to check atmospheric pollution is to catch it in its infancy. . . The fact people in your area and mine are not dying from it, the fact that we can live and endure it, is no reason why we should not meet the problem squarely."

Objects whose real names are not known are conveniently called gadgets, when it becomes necessary to distinguish between two gadgets one of them is usually called gilhickey.

Market Street Tracks To Go

Removal of the outer streetcar tracks on Market street is slated to commence not later than April 15 and will be completed by July 1. The work will be carried out on a round-the-clock basis to hold traffic interference to a minimum.

Completion of track removal and resurfacing is timed to meet operation of trackless trolleys on Market street, also scheduled for Height-Masonic; No. 7, Haight-Stanyan; No. 8, Castro; and No. 21, Hayes.

Earth's History

The entire history of the earth has been reconstructed by studying the igneous rock masses; metamorphic rocks; folds and faults which deform rocks of the earth's surface; evidences of erosion on the ancient rocks; examination of sedimentary beds; and studying the organic remains entombed in the sediments.

Big Clock On Gate Bridge

An eight-foot, $3,000 electric clock has been installed atop the toll gate of the Golden Gate Bridge here.

The double-faced clock faces both north and south bound traffic. Its ten-inch numbers are lighted by Neon and its hands by Zeon, a patented light similar to Neon.

On Trial

Mildred E. Gillars, above, the "Axis Sally" of Nazi radio propaganda broadcasts, is on trial in Washington for treason. Miss Gillars, 48, is a native of Portland, Me. She faces possible penalty ranging from five years imprisonment to death, if convicted.

PASSING PARKED CARS

When passing parked cars or other roadside obstructions to vision, motorists should exercise caution. If animals, children or careless adults run out from behind such obstructions the motorist should be prepared to stop in time to avoid hitting them.

TRAFFIC SIGNS

Good drivers pay need to all stop signs, traffic lights, and other warning signals, declares the National Automobile Club. These signs and signals have been placed by safety engineers to help prevent accidents. If you don't obey them they might not prevent your accident.

CORRECTION

Because of an error on the part of the advertiser, Calvert whiskey was advertised at $4.93 a fifth in the Midtown Liquors advertisement last week. The correct price, as many readers pointed out, is $3.93 a fifth.
